

The power of innovation

The background of the slide is a dark blue collage of four images: a fighter jet on the left, a satellite in the center, a commercial airplane on the right, and a high-voltage power line tower on the far right.

CORPORATE PROFILE

DESIGNER, INTEGRATOR & OPERATOR OF MISSION CRITICAL SYSTEMS

**Twofold expertise:
Customer business & technical IS**

**At the heart of our
clients' operational systems**

Full coverage of the value chain: Design,
Build, Test & Run

Innovative products & solutions

**A combination of areas of expertise
and teams** with recognized talent

OUR COMMITMENT: CREATING VALUE FOR OUR CLIENTS

2000
employees

1650
In France

350 abroad:

- › Canada
- › Germany
